

Flagstaff Oval Kindergarten Update

York Drive, Flagstaff Hill. Ph:82705135 Email: DL.3630.leaders@schools.sa.edu.au

Issue 3 Term 4.

Children have commenced their transition visits and are managing very well from what we have heard.

We have started exploring Christmas as we quickly head towards the end of a very busy year of learning and consolidating of experiences. Children have started planning songs to sing for our Christmas Celebration and exploring the various aspects of Christmas.

Educators have completed individual children's Statements of Learning and they will be placed in pockets this week. Please make sure you sign them and return them within the next week so that copies can be forwarded to the relevant school. If after you read the Statement of learning, you need clarification please make sure you chat with the teacher whose name is at the bottom of the report.

Children's individual portfolios will be handed out to children in week 8 for them to take home. This will give families time to have a look and reflect upon the learning that has occurred throughout the year. Any feedback would be appreciated at this time.

Outstanding fees! We still have many families with outstanding fees. Please make sure you pay your fees promptly as we only have a few weeks left.

Christmas from around the world. At Kindy we are creating a 'Forest of Christmas Greetings' as we begin to explore our understandings around Christmas. If your family speak a language other than English we are asking if you could kindly take a small Christmas tree from the kitchen bench and write 'Merry Christmas' on it. You can decorate it if you like and bring it back for the children to share.

Toy catalogues. Don't forget to order from the toy catalogues on line. All orders support our fundraising efforts and are a quick and easy way to do your Christmas shopping.

Donations. We are seeking donations from families to go towards our Christmas raffle which will be drawn at the Christmas Celebration on the 7th of December. All donations would be greatly appreciated.

Wine fundraising. Our wine fundraiser was so popular last time that the Governing Council has decided to run another one with order forms going in pockets on the 20th of November with orders due back by the 1st of December. Delivery will then be done on the 8th of December in time for Christmas.

Obstacle-a-thon. Thank you to those who participated in our Obstacle-a-thon last week and to the helpers who helped out with the cooking, Bake Bakery and Bakers Delight for donating bread and the many supporters who turned out on the day despite the heat and rain. It was a very successful day with most of our children and families participating.

Speed limits. Please observe the speed limits in and around the Kindergarten for the safety of our children and families.

Diary Dates:

1st Dec: AGM
7th Dec: Christmas Celebration
14th Dec: Last day of kindy.

Warmest Regards: Meegan, Sue, Kerry, Ruth,

Rosalie, Jo, Krysten, Monica, Sue L, Toni

Issues or concerns.

Please make sure that if you have any concerns or issues arise that you make a time to chat with myself or a member of staff. We are here to help your child to be the best they can be and to do that we need to work together.

No Nuts !

We have children that are allergic.
