Issue 1 Term 2.

Welcome back to term two. We trust you had some time out to relax and rejuvenate in preparation for another busy term ahead.

This term we have two student teachers working with us. Katie is a fourth year student from Flinders University doing a 6 week block. Sarah is from Open Universities and is in her third year doing a 3 week block. They will be involved with working with all children over the coming weeks.

We will be introducing the author Pamela Allen through a variety of texts looking at language and rhyme. We will also be focusing on mathematical language, child protection with a focus on relationships and interoception and how we regulate our bodies. This again will sit alongside our ongoing emergent curriculum.

Towards the end of the term teachers will be sending home Summative Reports which will give you an indication of where your child is at and how we are planning on supporting your child further throughout the year. Feel free to make a time to chat with a teacher after reading the report if you require more information or clarification.

Bunnings BBQ Thank you to all of those who were able to come along and help out at the BBQ on the day. Despite the rain it was a huge success and those who participated had a wonderful time connecting with others.

Mother's day is on its way. This is the last week for donations towards the Mother's Day Raffle. Please make sure that all items are placed in the basket outside this week. The raffle will be drawn on the 9th of May. Good luck to all our Mothers and Grandmothers.

Clear Plastic Bottles Needed. As part of our focus on interoception with all children we are asking that all children bring in a small clear bottle with a lid (ie pop top size) to make a 'Calming Bottle'.

Healthy food Please. We again would like to remind families that we have a healthy food policy in which we encourage children to eat healthy foods that support their overall wellbeing. This includes fruit and vegetables, cheese and yoghurt and other healthy options.

Cooking and Laundry Roster. A reminder that the rosters are out on the sign in bench so if you would like to participate please put your name down on the list.
