

Flagstaff Oval Kindergarten Update

York Drive, Flagstaff Hill. Ph:82705135 Email: DI.3630.leaders@schools.sa.edu.au

Issue 2 Term 3.

ISSUES OR CONCERNS.

Please make sure that if you have any concerns or issues arise that you make a time to chat with myself or a member of staff. We are here to help your child to be the best they can be and to do that we need to work together.

Despite the wet and cold start to the term children have been involved in a wide range of experiences including the bathing of babies, bike days, a camp fire and damper making, a big truck visiting and next week an excursion to Aberfoyle Hub R-7 school for National Science Week with students from year 5 to 7. Later in the term we will be holding a maths night, walking to Flagstaff Hill R-7 School for Book Week and having another visit from Flagstaff Hill R-7 reception classes and finally a visit from a fire engine. We are also continuing to look at our bodies and how they work including how we can keep them safe, along with our book based focus on 'Cranky Bear'.

Car safety. A reminder about speeding in the carpark and ensuring children are safely monitored while outside and inside of cars. We are all responsible for ensuring the safety of our children.

Maths Evening. We will be holding a Maths evening at kindy in week 6 which will be held over two nights so that each of our groups can be involved. Both evenings will be held from 6 to 7pm and involve individual children working with their families at a variety of experiences. It should be a fun and informative evening. More information to come out closer to the time.

Reports and Surveys. Please make sure you return your individual learning plan reports that were handed out last term along with the Preschool Parent Survey that was placed in pockets at the beginning of the term.

Mud kitchen and new digging patch. We are looking for someone who can make a kitchen for the mud patch. We have a large double sink that can be inserted and we are happy to pay for materials used. Please come in and chat with Meegan if you are able to help.

Term 3 Fees. Please make sure you pay by tomorrow the 10th of August. Late payment of fees will now be passed on to our finance officer for action.

Please help this term if you can by:

1. Donating toilet paper and tissues for use at kindy if you haven't already done so.
2. Placing any used bottles and cans in the bin provided. All money goes to Minton wildlife rescue.
3. Placing items for Share the Dignity in the donation box located on the lockers for homeless women.

Thank you to Ardella's family for bringing in the big truck for the children to see and explore, also to Aiden and Isaac's families for bringing in their younger siblings to be bathed.

Diary Dates:

Mathematics evening: Tue 28th /Wed 29th Aug 6-7pm

Next Closure day is the 17th Sept.

Last day term 3: Friday 28th Sept

Warmest regards: Meegan, Sue, Ruth, Kerry, Rosalie, Jo, Krysten, Monica, Sue and Nikki.
