

# Flagstaff Oval Kindergarten Update

York Drive, Flagstaff Hill. Ph:82705135 Email: [DL.3630.leaders@schools.sa.edu.au](mailto:DL.3630.leaders@schools.sa.edu.au)

Issue 3, Term 3.

## ISSUES OR CONCERNS.

Please make sure that if you have any concerns or issues arise that you make a time to chat with myself or a member of staff. We are here to help your child to be the best they can be and to do that we need to work together.

**Maths Evening.** A reminder that our maths/numeracy evenings are this Tuesday and Wednesday evening from 6 until 7. Families are reminded that they may attend on either night but will need to sign in on arrival so that we are aware of the numbers. The idea for the evening is that the kindy children themselves take their families around and engage them in the experiences on offer. On each table will be instructions in case your child doesn't share this information with you for whatever reason. After you have engaged in an experience you are free to move on to another experience of your child's choosing. There is no expectation to do everything on the night however we would like you to consider the numeracy/maths aspect of each experience and how your child is learning through this play based experience.

You are free to stay for as long as you wish and you may leave at any time. Staff will be available to support you if needed and to answer any questions you may have.

Our goal for the evenings is:

- For our families to learn about how children at Flagstaff Oval learn mathematics/numeracy through a play based curriculum.
- To understand the scope of mathematical learning at kindergarten and how it provides the basis for all future mathematical/numeracy learning.
- For families to engage in fun play based experiences with clear educational outcomes.

**Mud kitchen and new digging patch.** We are still looking for someone who can make a kitchen for the mud patch. We have a large double sink that can be inserted and we are happy to pay for materials used. Please come in and chat with Meegan if you are able to help.

**Obstacle –a-thon.** If you have not returned your sponsorship form and money for the Obstacle a thon yet please do so asap.

**Please help this term if you can by:**

1. Placing any used bottles and cans in the bin provided. All money goes to Minton wildlife rescue.
2. Placing items for Share the Dignity in the donation box located on the lockers for homeless women.
