Issue 4, Term 3.

## ISSUES OR CONCERNS.

Please make sure that if you have any concerns or issues arise that you make a time to chat with myself or a member of staff. We are here to help your child to be the best they can be and to do that we need to work together.

**Maths Evening.** Thank you to those families who have returned their surveys and to those who attended the evenings at kindy last week. We had 14 families attend on the Tuesday and 25 on Wednesday. It was wonderful to see everyone there with their child. I know the children enjoyed having the opportunity to share their own knowledge and take a leadership role. We hope you were able to reflect on the mathematical learning opportunities on the night through the eyes of your child.

Don't forget to check out the photos of the evening and write a comment as feedback if you wish.

**Mud kitchen** A big thank you to Georgia's family for taking on the job of creating a mud kitchen for us. They delivered it today and installed it, much to the delight of the staff and children. Thank you also to those families this term who have been involved in organising and sharing their own knowledge and skills with the children and staff to support our curriculum. This includes police visits with Georgia's family, Aboriginal inspired painting with Caelan's Grandma, cooking and washing rosters, Mila's mum for organising the fire engine visits and to anyone I have missed.

**Sun safe Policy.** A reminder that next term we commence our sun safe policy with the wearing of hats for outside play. Please remember to place sunscreen on your child prior to coming to kindy and staff will support children to reapply at lunch time. Also a reminder that children need to bring drink bottles with water to kindy to support our focus on encouraging children to drink water as part of a healthy body and mind.

**CAFHS checks.** Cafhs checks will again be held in week 10. Rosalie will be in contact with those families who will be involved this term. All children who have not yet had their cafhs checks will have the opportunity in term 4.

**Parent library.** Our library is available for families to borrow from at any time. We have a number of resources on a broad range of topics that may be useful. The parent library is located in the same area as the parent pockets and floor books.

**Tea towel orders.** Tea towel orders have gone out and children have been very busy drawing pictures of themselves. A sample tea towel is located outside for you to look at. The cost is \$13 per tea towel and they make great Christmas presents for families.
