Issue 5, Term 3.

ISSUES OR CONCERNS.

Please make sure that if you have any concerns or issues arise that you make a time to chat with myself or a member of staff. We are here to help your child to be the best they can be and to do that we need to work together.

We have come to the end of another very busy term. The children have engaged in a broad range of experiences this term including many incursions and visits from emergency services. We visited with Aberfoyle Hub P.S for Science week; Caelan's grandma helped us make some Aboriginal inspired coasters, we celebrated maths and numeracy with our maths evenings, visited Flagstaff Hill R-7 for book week and had them visit us, helped Aiden and Isaac's baby have a bath, had a camp fire and enjoyed cooking experiences with families each week. We had a Flinders university student work with us and next term we will have another group engage with staff and children. All in all a very exciting and action packed term.

Next term children will be engaged in transition visits to their various schools and excitement levels will increase with Christmas approaching. We will endeavour to make it as low key as possible to support this busy time of year.

We hope you get to have a break over the holidays and look forward to seeing you all next term.

Sun safe Policy. A reminder that next term we commence our 'Sun Safe Policy' with the wearing of hats for outside play. Please remember to place sunscreen on your child prior to coming to kindy and staff will support children to reapply at lunch time. Also a reminder that children need to bring drink bottles with water to kindy to support our focus on encouraging children to drink water as part of a healthy body and mind. Please note that throughout the rest of the year it is up to families to work out if they want their child to wear a hat depending on the UV rays and staff will support this.

CAFHS checks. Cafhs checks will again be held this week. All children who have not yet had their cafhs checks will have the opportunity in term 4.

Tea towel orders. Due to the large response we have decided to extend the final day for orders until this Wednesday the 26th. A sample tea towel is located outside for you to look at. The cost is \$13 per tea towel and they make great Christmas presents for families.

TOYS! Please encourage your child/ren to leave their toys at home. Many children are bringing in toys and they are getting lost or broken. There are plenty of toys for the children at kindergarten and this encourages children to approach toys from a different perspective.

We need a plumber! Are you a plumber or do you know of one that could spare a few minutes to tighten up one of our taps? Apparently it needs a special plumber's tool. Please speak with Rosalie if you can help.
